☐ 1. It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the applicant has been advised to include in the response, A NORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT VALID AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., item 1-2 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from the interview date to provide a statement of the substance of the interview.

☐ 2. Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the substance of the interview unless box 1 above is also checked.
